- a. Orders once placed and processed cannot be modified / cancelled.
- b. In exceptional situations, even if mutually agreed to modify / cancel, the same will attract charges which will be intimated on case to case basis.

**2 Delivery:**

- a. Delivery schedule should be given by buyer alongwith the P.O. The material will be dispatched either as per the delivery schedule or EDOD given by us on the OCF, whichever is later.
- b. The delivery schedule, when given, is an estimate and the company shall not be liable to make good any damage whether arising directly or indirectly out of any delivery delay. Further, the delay in delivery will not entitle the buyer to refuse the acceptance of the material.
- c. Goods will be normally sent through reputed road transporters. However, they can be sent by mode of customers' choice i.e. transport / surface courier / air courier.
- d. Road permit, way bill, e-sugam, entry permit or any other form wherever required need to be provided well in advance to facilitate timely dispatch. The company shall not be responsible for noncompliance of any statutory requirements.

**3 Loading / Unloading:**

The customer will arrange for taking delivery of the material from the transporters' godown against the LR. All incidental expenses pertaining to loading, unloading, local freight, etc. to be borne and paid by customer.

**4 Storage:**

- a. Any delay in taking delivery beyond 7 days (irrespective of any holidays) of EDOD/Delivery schedule/readiness of material (whichever is later) due to non-compliance by the buyer, a surcharge @ 0.5% per week on pro-rata basis, for each number of days delayed, will be charged on the total invoice amount. i.e. Add Rs. 71.43 per lac per day x No. of days delayed along with balance payable, if any, towards the delay in lifting the material beyond 7 days grace period.
- b. Material should be stored in a cool and dry place at all times, away from humidity and moisture. No other material should be stored on top of any of our products.

**5 Payment in Cash:**

All payment to the company should be made through bank. No cash payment should be given to any of our executives. The company would not be responsible for any cash transactions between our Executives & the buyer.

**6 Product Characteristics:**

- a. Colour Variation is an inherent characteristics of high temperature kiln fired product, due to which the material may have tonal differences in colour within the batch and between the batches. Further slight chipping noted in some mosaic is characteristics of the product.
- b. The colour shown in any Shade card/Sample is purely indicative. Colours depicted in Presentation may vary from actual product colours due to printing / digital limitations.
- c. Further, the colours are subject to change due to upgradation in technology and continuous improvements. All materials will be supplied as per the quality standard specified from time to time. No claim with regards to colour variation/mismatch would be entertained.

**7 Complaint:**

We do not accept any complaint after laying.

**8 Force Majeure:**

All supplies are subject to force majeure and Company shall not be responsible for non-compliance due to reasons beyond its control.

**9 Jurisdiction:**

Disputes, if any, would be settled exclusively under Indian law and are subject to Ahmedabad jurisdiction only and the customer waives the jurisdiction of any other Court.

**10** These terms and conditions are subject to amendment without prior notice.

# Assembling

## “Papered”

### FMP (Face Mounted on Paper)

Papering is the conventional method used for assembling of mosaic. Under this method paper is glued on the face of mosaic (FMP). This is one of the universal way of assembling mosaic into sheets.

### BML (Back Mounted on Link)

‘LinkTec’ is the state-of-the-art innovative technology for assembling of mosaics through Robot. Under this method polyurethane links are created at the back of the mosaics (BML) for assembling them into sheet.

#### Advantages of “LinkTec” :

- Enables better intactness
- Easy and Faster installation
- Excellent finishing
- Water Resistant
- Weather Resistant
