

Get AI Work For Your Pool

With revolutionary AI-Wireless technology, the self-developed intelligent algorithm enables X-Warrior to work automatically in the most effective way for up to offer you a better pool experience.

10 Hours

AI-Wireless Technology

Full-inverter technology, the inside DC-Inverter motors run at 20%-100% (averagely<50%) under the precise control of advanced algorithms, which brings the longest endurance and life span than ever, up to 10 hours!

Simply set the cleaning task and mode on control panel, X-Warrior can keep your pool clean for up to 2 weeks with just 1 charge, supported by long-endurance.

Intelligent 3D S path

Patented

With the advanced control system, X-Warrior analyzes the pool environment and plans the most efficient cleaning path, bringing double coverage efficiency.

AI Timer for Vacation

The original AI Timer allows the users to charge 1 time for 2 weeks using & plans the cleaning cycle. Even if the owner goes out travelling, X-Warrior, your reliable wireless pool cleaner, can still keep your pool automatically with a crystal-clean water at the pre-set cleaning time.

MORE FEATURES

Full-covered Cleaning

Active wall climbing and waterline scrubbing

Magnetic Filter Basket

Top access for easy extraction

Smart App Control

Multi-function setting

40 Hours AI-Wireless Technology

Thanks to Fairland's original Full-inverter technology, the inside DC-Inverter motors run at 20%-100% (averagely<50%) under the precise control of advanced algorithms, which brings the longest endurance and life span than ever.

Breakthrough Tech Breakthrough Freedom

Simply set the cleaning task and mode on the App of X-Warrior, the wireless pool cleaning robot with the longest endurance promises to keep your pool clean for up to 1 month with just 1 charge.

Specifications of X-Warrior

Model	X100	X80	X60	X45	X30
Picture					
Performance condition reference: Floor mode in Liner pool					
Endurance time	10h	8h	6h	4.5h	3h
Performance condition reference: Floor/wall/waterline mode in Liner pool					
Endurance time	6h	4.5h	3.5h	2.5h	2h
Charging time	10h	8h	6h	4.5h	3h
